

Bamboo Gardens House of Hope

Thank you SO much for your interest in one of my ShalomVacationRentals !

HOME WILL BE OZONE SANITIZED BETWEEN GUESTS DURING OUTBREAK!

+++Please provide details about yourself and your group ie: employment, ages, relationships, reason for your visit - prior to booking this property. When booking please provide via upload a copy of a government id that matches the booking persons name & address & Credit card information. I can not confirm a booking without this documentation due to an increase of fraud via the internet and this site.

+++ This home (and many others on this site), does have a price adjustment based on number of guests (normally over 2). Please disclose all guests prior/at time of booking. A nominal amount per additional guest will be added by the system so you can see the accurate pricing. :-)
This allows the home to rent cheaper to smaller groups which is fair, and a bit more to cover the costs of more cleaning, linen, utilities, etc. for larger groups.

+++ I have 2 larger ShalomVacationHomes, if you need a bigger space....please inquire.

If there are some special circumstances ie: Mayo clinic patients, or other medical needs, I am happy to help accommodate as much as possible...and will try to provide rides to appointments, etc. Prayer is FREE and will be lavished on all who would like it. :-) If you are a Pastor or a Missionary, PLEASE let me know....I would love to bless you.

+++I prefer insurance to be bought on all visits....this way neither of us have to worry, or pay for any accidents....and they do happen, unfortunately. I am willing to exchange the insurance for a \$500+ deposit, if you so desire.
